

FROM THE EAST

Brethren,

It is June. Time moves on. We have had a very good year so far. Our fund raiser last month was a success. We realized a net amount of over \$3,000.00. Thanks to everyone who attended and helped serve and deliver meals. And a special

thanks to those who went out and sold tickets. Some of you paid for your tickets and then gave them to seniors who might be less fortunate and you are commended for you charity. Some were unable to get out and sell tickets so you returned them along with a generous donation. We appreciate your support. You will be rewarded.

We will confer the second degree on EA Brother Daniel Hill following our business meeting Monday night, June 14. We anticipate a very short business meeting and even with conferring the degree, we should be out by 9:30 pm. Dinner, provided by Brothers Josh Jordan and Phillip Larrimore is at 6:45 pm. Please attend if at all possible.

Monday night, our secretary will be reading the names of members who have not paid 2010 annual dues. Check your dues card. If you have not paid, you still have time before he reads the list in open Lodge. But you must mail your check today. Tend to it, please. If for some reason you cannot, all you have to do is call him and let him know your intentions. We are always ready to assist you.

W. Bro. Verlon Brown had surgery on his knee recently and that has slowed him down just a little. He will be back to full speed soon and will begin renovating our kitchen. We look forward to seeing him on the go again and to the improvements he will make in the kitchen.

We had to change locks on all building access doors recently. If you have not received a new key and need access, give me a call at 843-340-5808.

We continue to struggle to keep our building clean and presentable. Different groups and organizations use our facilities and it is embarrassing for them to go in and find the place in a mess. Please, if you use the building, clean it before you leave. Be particular careful not to track mud and dirt on our new carpet. If everyone works together, we can keep our lodge looking great.

See you Monday night.

Master
